IQS Participates in JPMorgan Chase Corporate Challenge

Syracuse, June 23, 2010 – Yesterday, IQS employees joined over 6,000 other runners and walkers from 259 Syracuse corporations to participate in the 28th annual JPMorgan Chase Corporate Challenge. Despite the bad weather, which delayed the start of the race, IQS was well represented and had an enjoyable company picnic.

This is the fourth year IQS has attended the event.
